

I'm green, I'm prickly
I'm colorful and bright
You'll find me hiding
In the branches so tight

Flush away all your
cares and troubles.

I know there's a light
inside but is it on when
the door is closed?

Coins always get
under me and if you
find some you'll be rich.

I wonder if the
mailman brought
anything fun today.

It's breakfast time.
Who can tell me where
I'll find the cereal?

It's as plain as the
nose on my face. At
least that's what I see
when I look into it.

We're gonna clean our
teeth with a brusha,
brusha, brusha

I hope someone washed
the dishes today. We
might need them.

Don't look! That's
where the monsters
hide at night!

Time to get ready for
school. What shall I
wear today?

I think I left my book
in the backseat.

My backpack is full. I
think I should empty it.

Is that the UPS
delivery man I hear
outside my door?

Splish, splash I was
taking a bath, long
about a Saturday night.
